By-laws of the Co-operative were consolidated and approved by the general members in March 1991, making the consolidated By-laws the approved By-laws of the co-operative.

By-law numbers in By-law histories prior to 1991 have conflicting information. Some numbers are used more than once.

This list includes these anomalies and we have maintained the histories from the 1991 consolidation, in spite of these inconsistencies. By-law numbers are accurate from 1991 onwards.

2013-05-02: Bylaws were consolidated up to April 2010 and adopted by the members on September 30, 2010.
